

Punta Charging Trolley for 12 units

The Punta charging trolley 12 has been specially developed for the needs of educational institutions where personal laptops or tablets need to be charged, stored and transferred easily and safely. On top of the charging trolley, there is a multi-function worktop along with handles at both ends of the trolley. This means that the trolley is easy to move. Up to 12 devices can be charged in good order in their shelves.

CHARGING TROLLEY FOR 12 UNITS
